DEL PROPERTY MANAGEMENT INC.

Introduction & Welcome

Welcome to your Community!

Del Property Management and Tridel have created guidelines and rules that are specifically designed to ensure maximum safety and enjoyment of your community while also preserving the investment you have made in your future.

We have decades of experience in building and maintaining communities just like yours and our goal is for you to get the most out of your community's recreation facilities. All residents are requested to be familiar with the rules and to make sure that they and their guests follow them. For your convenience, copies of the rules are available at your Del Property Management Office, in your original Agreement of Purchase and Sale, and are generally posted in specific areas of use.

As your community evolves and grows, you and your Board of Directors may wish to adapt the rules from time to time so they fit more with the rhythm of the community. Be sure that you participate by keeping your Condominium Manager informed of your preferences and by participating in your Annual General Meetings or even as a member of the Board of Directors.

The rules governing use of your community must be fairly and strictly enforced by the Del Property Management Team with all residents. Your Del Property Management Team has a responsibility and obligation to maintain the safety and high-standards of performance for your community.

We are counting on resident support and participation in keeping your community beautiful, safe and well maintained. By working together we can make the Parc Nuvo Club, the heart of the community, where everyone can come and enjoy the privileges of the contemporary condominium lifestyle.

Sincerely,

Del Property Management & Tridel

Hours of Availability & Access to Your Club

Hours of Availability

Your Parc Nuvo Club is open 24 hours a day, seven days a week, every day of the year.

Open access is between the hours of 5:00 a.m. to 12:00 a.m. unless otherwise posted in the specific amenity space. Residents using the facilities between 12:00 a.m. and 5:00 a.m. may be required to register with the Concierge prior to use and the Concierge will provide access, which may be limited depending on safety concerns. Also, your facilities may be closed for maintenance and cleaning at specified times.

Different areas of the Parc Nuvo Club are open for use by residents and their guests at anytime, however some of your community amenities are by reservation only and may require security staffing and deposits depending on what type of function or event you are planning to host.

Throughout your Guide each area has been outlined in detail and you will discover what necessary arrangements are required if any, prior to use. In order to run your Parc Nuvo Club effectively and efficiently we ask that you promptly leave the reserved amenity or Club at the end of your reserved use or at Club closing.

As your Del Property Management Team and Board of Directors, our goal is to keep your Parc Nuvo Club open and available to you and your guests, but on occasion there may be community-sponsored events organized by the Board of Directors. So you can plan appropriately, notices of these functions will always be scheduled and posted at least two weeks prior to the event date.

Club Access & Security Measures for your Protection

Your community is equipped with sophisticated access control technology to ensure ease of use and added security. When you registered with your Del Property Management Team, you were provided with a FOB that has been specifically programmed for your use.

At that time you presented important information about all of the occupants of your home and when necessary multiple FOBS have been ordered, programmed and issued to you and your family. Consistent with the best practices in access control, you may also be required to provide photo-identification.

Access to your Club is only by FOB. If you ever lose your FOB please report it immediately to your Del Property Management Team and/or the Concierge and they will make arrangements to deactivate your lost FOB while reissuing you a new one. Please note that all replacement or additional FOBS for residents are available for a charge.

General Rules: Guests

One of the best features of your Parc Nuvo Club is that you can share it with your friends, family and guests. However to ensure that all residents and their guests can enjoy the same opportunity and to help ensure the safety of everyone, we ask that residents make certain that all guests to our community adhere to the following rules.

1. Guests must be accompanied by at least one resident over the age of eighteen (18) years. A maximum of four (4) guests per suite are allowed to use the facilities, except for reserved events in the Party and Dining Room". Registered family members, visitors using guest suites, and/or extended stay guests do not need to be accompanied by a resident.
2. Upon request, guests must identify themselves and the resident they are visiting.

4. Residents are fully responsible for ensuring their guests are aware of, and obey, all rules and regulations of the facilities.
5. Residents may lose the right to use the facilities as a result of any breach or breaches of any rules and/or misuse of the facilities by their guests.

General Rules: Reservations & Bookings

A few of your amenities require reservations or bookings and it is our goal to ensure that the process is easy, effective and fair. How to make bookings or reservations for a specific amenity space will be covered in detail where it is relevant at each section of your Guide.

We did however think it important to note separately that some general principles of making reservations for any area of the Parc Nuvo Club will be universally applied.

1. All Bookings are on a first come, first serve basis and no persons under the age of eighteen (18) may reserve the rooms
2. Residents are required to make their own reservations of equipment or facilities under their suite number only. Photo identification may be requested at the time of the booking. Bookings are subject to approval, by reserving time and registering with Concierge
3. Reservations will be held for only ten minutes from the reserved time for the billiard room, theatre and five minutes for equipment.
4. Simultaneous and/or consecutive reservations of the same equipment or amenity spaces (except guest suites and visitors parking) are not permitted and will result in the cancellation of all reservations.

General Rules: Dress Code

The Condominium Corporation and Del Property Management want to maintain a family friendly environment throughout the recreation facilities. Keeping this objective in mind, we request that you observe the following:

1. Residents and guests are required to wear appropriate attire when using the recreational facilities. This includes proper cover-ups and footwear while going to and from the recreational facilities.
2. Bathing suits and bare feet are permitted only in the swimming pool/whirlpool area, change rooms, saunas and outdoor terrace. Wet bathing suits may not be worn in the lobby or corridor areas, or in any other common areas.
3. Perspiration causes hygiene concerns and soils and damages upholstered furniture. Appropriate attire must be worn while exercising (e.g. sport tops for both men and women). Proper post-exercise attire must be worn in the lounge and other common areas after exercise of any kind.

Outdoor Spaces: Outdoor Terrace

Your outdoor amenity spaces (Outdoor Terrace) has been designed by professional landscape architects and consultants who have created a wonderful space and place for you, your neighbours and your guests to share. Your Del Property Management Team has the responsibility to ensure that the proper maintenance of the common outdoor areas is performed. So that everyone has the opportunity to equally enjoy these facilities we need all residents to please:

1. Leave the area as you found it with all furniture in place. Additionally, furniture may not be removed from any of your amenity areas. Only furniture designed for outdoor use may be used.
2. Cover your chairs and lounges with a towel when wearing bathing suits, to avoid damage from lotions.
3. Pets are not permitted on the terrace.
4. The Outdoor Terrace area is a non-smoking facility.
5. Note that access to the Outdoor Terrace is through the Party or Dining Room.

Barbeques

The Condominium Corporation and Del Property Management want to ensure a safe, clean barbeque facility that all residents and their guests have an opportunity to enjoy. The barbeques are located on the ground level.

1. As a guideline for booking, generally one barbeque can serve approximately 6 guests. If you have additional guests, you should reserve an additional barbeque, if available. However, during peak-times when there is high-community demand, please keep a good neighbour policy in mind.
2. The use of the barbeques is by reservation only, to ensure that residents are able to plan ahead and to avoid disappointment. These reservations are made through the Concierge.
3. Residents using the barbeques must familiarize themselves with the safe and proper operation of the barbeque. The instructions are posted beside the barbeques and are also available from the concierge.
4. Persons using the barbeques are responsible for cleaning the area before leaving to show consideration for the next users. Barbeque grills must be cleaned after use by brushing them.
5. Due to the popularity of the barbeques, they are limited to one hour cooking time use. Residents and their guests may remain in the barbeque area for a maximum of two hours during busy periods to give everyone a chance to enjoy this facility.
6. The latest booking for a barbeque is 9:00 p.m. to limit noise concerns for other residents.
7. Del Property Management or security have the right to terminate any activity, which in its absolute discretion, violates the terms of any rules and regulations relating to the use of the facility, or that become disruptive and unduly disturb other residents.

- 8. The Barbeque area is a non-smoking facility.

Swimming Pool and Whirlpool

The Condominium Corporation and Del Property Management want your visit to your swimming pool and whirlpool facility to be a safe, clean and enjoyable experience. Your facility is managed in compliance with the regulations established by the Ontario Pool Act. In addition to the posted rules we ask that the following conditions be observed:

7. Personal flotation devices and toys are permitted as long as they are specifically designed for pool use and do not interfere with others using the facility or the mechanical operation of the pool equipment (e.g. small toys which can block the skimmer).
8. Change rooms are provided. Proper bathing attire must be worn in the swimming pool. Street clothing or substitutes for bathing suits are not permitted as they can create a safety concern and interfere with the effective operation of the pool equipment.
9. All persons with shoulder-length or longer hair must either wear a bathing cap, or have their hair tied back.
10. For health and safety purposes, food and beverages are not permitted anywhere in the pool nor is any type of glassware.
11. Diving is not permitted.
12. Personal belongings, other than items for swimming, are not permitted in the pool area.
13. The telephone provided in the pool area is for emergency use only.

Sauna Rooms

We wish to ensure that the sauna rooms are relaxing, clean, safe and hygienic environments for all residents to enjoy, with minimum disruption.

1. The sauna is designed for dry heat. Any liquid making contact with the heating elements could cause the sauna to be closed for repairs. Similarly we ask you not to adjust the sauna controls.
2. It is recommended that children under twelve (12) years of age should not use the sauna rooms. Nevertheless, residents under the age of twelve (12) years must be accompanied and supervised by an adult over eighteen (18) years of age at all times.
3. It is recommended that pregnant women or people with serious health conditions check with their physician prior to use.
4. No person infected with a communicable disease or having open sores on his or her body may enter the sauna room.

6. Glassware is not permitted.
7. Personal hygiene activities are not permitted, e.g. shaving, hair treatments or personal grooming.

Non-Event Party Room Functions Many of our residents want to relax and enjoy the Party Room alone, with a partner or a few of their guests. It is not uncommon for our residents to use their Party Room as a private retreat to catch up on a good book or just to enjoy a change in scenery. 1. Access to the Party Room must be coordinated through the Condominium Manager or Concierge.
2. The Party Room is available for non-events, at no charge, for a maximum of three hours, as long as there are no more than six (6) people present.

The first resident to use the room must complete a Non-event Form and do the inspection with the Condominium Manager or staff member and will follow the process as outlined below for "before, during and after" the event. No security deposit or fee is required.

At the sole discretion of the Condominium Manager and their staff and due to multiple residents using the space, if the capacity of people in the room surpasses the non-event status, they reserve the right to limit the function as necessary and/or will require a resident to establish a formal, "event" booking.

Consequence Management

One of the most challenging yet necessary functions of your Del Property Management Team and Board of Directors is to ensure that all of the community rules and regulations are followed. It can be tremendously stressful and difficult on your community's staff when they have to enforce compliance of the rules with any resident or his/her guest. When they do, they do so out of an obligation and commitment to preserve your community, your safety and trust.

In our experience, we find that the majority of residents and their guests fully understand and participate in supporting the rules and regulations. We also understand that sometimes a resident may make a mistake. This is why we have created some very clear and important steps that will be invoked by the Del Property Management Team on behalf of the Board of Directors to manage non-compliance of the rules.

Depending on the specific set of circumstances and as assessed by any member of the Del Property Management Team, the Board of Directors or the Condominiums Corporation's employees or agents, there will be an escalating series of consequences which may lead to an immediate and full suspension of Club facility use.

Therefore it is critical that every resident and his/her guest abide by the rules of your community and understand that they will be enforced in accordance with the terms of the Condominium Act, the declaration and all by-laws and rules of the community.

For clarity, we have outlined the series of consequences that will be enforced for those who violate the rules. Depending on the nature and frequency of the concern, the Board of Directors, or the Condominium Corporation's staff or agents will act at their sole discretion in determining the appropriate consequence which can for serious incidents lead to complete suspension of facility use, as well as fees for damages.

In the event of a violation of the rules, some or all of the following consequences will be initiated. Depending on the circumstances, the Board of Directors and Del Property Management Team will determine the appropriate consequence, but if the situation warrants additional measures, they will not be limited to the following:

1. Notification in writing to the resident on the first instance. If relevant, the resident will be given 7 days to rectify the violation and to signify his or her future willingness to abide by the rules.
2. Notification in writing to the resident and if relevant, the off-site owner, upon the second instance, requiring written acknowledgement of receipt of such notice and a commitment that the recipient will comply with the rules within two days.
3. Notification in writing from the Corporation's lawyer upon the third instance and notification that any further offences, may cause the Board of Directors or the Condominium Manager to require the resident to supply a certified security deposit which may be forfeited in the event there is any subsequent breach of the rules by the resident and / or his or her guests. Cost of the legal fee to the Corporation as a result of the violation will be billed to the resident. If this consequence is served to a tenant, then the non-resident owner will also be sent a notification and in the case of default of payment by the tenant, will be held responsible for payment to the Corporation.

On the fourth instance, the board reserves the right to have the Corporation's solicitor commence enforcement proceedings against the delinquent or offending unit owner, resident, tenant or guest, in accordance with the provisions of the Condominium Act 1998, S.O. 1998, as amended, and all legal fees and disbursements incurred in connection with any such proceedings (together with any damages incurred as a consequence of the offence) will be sought against the offending party.
