Introduction & Welcome

Welcome to your Republic II Club

Del Property Management has created guidelines and rules that are specifically designed to ensure maximum safety and enjoyment of your community while also preserving the investment you have made in your future.

We have decades of experience in building and maintaining communities just like yours and our goal is for you to get the most out of your community's recreation facilities. All residents are requested to be familiar with the rules and to make sure that they and their guests follow them. For your convenience, copies of the rules are available at your Del Property Management Office, in your original Agreement of Purchase and Sale, and are generally posted in specific areas of use.

As your community evolves and grows, you and your Board of Directors may wish to adapt the rules from time to time so they fit more with the rhythm of the community. Be sure that you participate by keeping your Condominium Manager informed of your preferences and by participating in your Annual General Meetings or even as a member of the Board of Directors.

The rules governing use of the Republic II Club must be fairly and strictly enforced by the Del Property Management Team with all residents. Your Del Property Management Team has a responsibility and obligation to maintain the safety and high-standards of performance for your community.

We are counting on resident support and participation in keeping your community beautiful, safe and well maintained. By working together we can make the Republic II Club, the heart of the community, where everyone can come and enjoy the privileges of the contemporary condominium lifestyle.

Sincerely,

Your Del Property Management Team

Hours of Availability & Access to Your Club

Hours of Availability

Your Republic II Club is open 24 hours a day, seven days a week, every day of the year.

Open access is between the hours of 5:00 a.m. to 12:00 a.m. unless otherwise posted in the specific amenity space. Residents using the facilities between **12:00 a.m. and 5:00 a.m.** are required to register with the Concierge prior to use and the Concierge will provide access, which may be limited depending on safety concerns. Your facilities may be closed for maintenance and cleaning at specified times.

Different areas of the Republic II Club are open for use by residents and their guests at anytime, however some of your community amenities are by reservation only and may require security staffing and deposits depending on what type of function or event you are planning to host.

Throughout your Guide each area has been outlined in detail and you will discover what necessary arrangements are required if any, prior to use. In order to run your Republic II Club effectively and efficiently we ask that you promptly leave the reserved amenity or Club at the end of your reserved use or at Club closing (i.e. 12:00 a.m.)

As your Del Property Management Team and Board of Directors, our goal is to keep your Republic II Club open and available to you and your guests, but on occasion there may be community-sponsored events organized by the Board of Directors. So you can plan appropriately, notices of these functions will always be scheduled and posted at least two weeks prior to the event date.

Club Access & Security Measures for your Protection

Your community is equipped with sophisticated access control technology to ensure ease of use and added security. When you registered with your Del Property Management Team, you were provided with a FOB that has been specifically programmed for your use.

At that time you presented important information about all of the occupants of your home and when necessary multiple FOBS have been ordered, programmed and issued to you and your family. Consistent with the best practices in access control, you may also be required to provide photo-identification.

Access to your Club is only by FOB. If you ever lose your FOB please report it immediately to your Del Property Management Team and/or the Concierge and they will make arrangements to deactivate your lost FOB while reissuing you a new one. Please note that all replacement or additional FOBS for residents are available for a nominal charge.

The Republic II Club facilities are unsupervised and Del Property Management, the Declarant, the Board of Directors, its agents and employees are not responsible for accidents, injuries, lost or stolen personal property, or any other damages. There are no medical facilities available in the Club; and it is strongly recommended that residents on medication or with medical problems and/or physical problems should consult with their physician before using the facilities.

General Rules: Guests

One of the best features of your Republic II Club is that you can share it with your friends, family and special guests. However to ensure that all residents and their guests can enjoy the same opportunity and to help ensure the safety of everyone, we ask that residents make certain that all guests to our community adhere to the following rules.

1. Guests must be accompanied by at least one resident over the age of eighteen (18) years. A maximum of four (4) guests per suite are allowed to use the facilities, except for reserved events in the Party Lounge and Dining Room. Registered family members, visitors using guest suites, and/or extended stay guests do not need to be accompanied by a resident.
2. Upon request, guests must identify themselves and the resident they are visiting.
3. Residents are fully liable and responsible for any damages that their guests cause. Costs for damages are recoverable in the same manner as common expenses.
4. Residents using the facilities are fully responsible for ensuring their guests are aware of, and obey, all rules and regulations respecting use of the facilities.
5. Residents may lose the right to use the facilities as a result of any breach or breaches of any rules and/or misuse of the facilities by their guests.

General Rules: Reservations & Bookings

A few of your amenities require special reservations or bookings and it is our goal to ensure that the process is easy, effective and fair. How to make bookings or reservations for a specific amenity space will be covered in detail where it is relevant at each section of your Guide.

We did however think it important to note separately that some general principles of making reservations for any area of the Republic II Club will be universally applied.

1. All Bookings are on a first come, first served basis.
2. Residents are required to make their own reservations of equipment or facilities under their suite number only. Photo identification may be requested at the time of the booking.
3. Bookings are accepted a maximum of one week in advance by reserving time and registering at the concierge desk. Reservations will be held for only ten minutes from the reserved time for the Games and Billiard Lounge.
4. Simultaneous and/or consecutive reservations of the same amenity spaces (except guest suites and visitors parking) are not permitted and will result in the cancellation of all reservations.

General Rules: Dress Code

The Condominium Corporation and Del Property Management want to maintain a family friendly environment throughout the recreation facilities. Keeping this objective in mind, we request that you observe the following:

1. Residents and guests are required to wear appropriate attire when using the recreational facilities. This includes proper cover-ups and footwear while going to and from the recreational facilities.
2. Bathing suits and bare feet are permitted only in the spa area, change rooms, steam and sauna rooms. Wet bathing suits may not be worn in the lobby or corridor areas, or in any other common areas.
3. Perspiration causes hygiene concerns and soils and damages upholstered furniture. Appropriate attire must be worn while exercising (e.g. sport tops for both men and women). Proper post-exercise attire must be worn in the lounge and other common areas after exercise of any kind.

Outdoor Spaces: Outdoor Cabana Lounge

Your outdoor amenity spaces (Outdoor Cabana Lounge) have been designed by professional landscape architects and consultants who have created a wonderful space and place for you, your neighbours and your guests to share. Your Del Property Management Team has the responsibility to ensure that the proper maintenance of the common outdoor areas is performed. So that everyone has the opportunity to equally enjoy these facilities we need all residents to please:

1. Leave the area as you found it with all furniture in place. Additionally, furniture may not be removed from any of your amenity areas. Only furniture designed for outdoor use may be used.
2. Cover your chairs and lounges with a towel when wearing bathing suits, to avoid damage from lotions.
3. Keep children and pets out of the garden beds and be sure to respect the enjoyment of others by always properly picking up after your pet.
4. Note that access to the Outdoor Cabana Lounge is through the Republic II Club (on the Ground Level).

Barbeques

The Condominium Corporation and Del Property Management want to ensure a safe, clean barbeque facility that all residents and their guests have an opportunity to enjoy.

1. As a guideline for booking, generally one barbeque can serve approximately 6 guests. If you have additional guests, you should reserve an additional barbeque, if available. However, during peak-times when there is high-community demand, please keep a good neighbour policy in mind.
2. The use of the barbeques is by reservation only, to ensure that residents are able to plan ahead and to avoid disappointment. These reservations are made through the concierge.
3. Residents using the barbeques must familiarize themselves with the safe and proper operation of the barbeque. The instructions are posted beside the barbeques and are also available from the concierge.
4. Persons using the barbeques are responsible for cleaning the area before leaving to show consideration for the next users. Barbeque grills must be cleaned after use by brushing them.
5. Due to the popularity of the barbeques, they are limited to one hour cooking time use. Residents and their guests may remain in the barbeque area for a maximum of two hours during busy periods to give everyone a chance to enjoy this facility. Wine and beer are permitted while barbecuing and eating in the cabana area. Please ensure that the area is left clean and that all bottles are removed from the area.
6. The latest booking for a barbeque is 9:00 p.m. to limit noise concerns for other residents.

Spa (Also known as the plunge spa)

The Condominium Corporation and Del Property Management want your visit to your spa facility to be a safe, clean and enjoyable experience. Your facility is managed in compliance with the regulations established by the Ontario Pool Act. In addition to the posted rules we ask that the following conditions be observed:

1. The operating hours for the spa are between 6:00 a.m. and 11:00 p.m. due to a combination of health, safety and maintenance requirements.
2. The spa is unsupervised. It is strongly recommended that bathers not bathe alone. According to the Ontario Pool Act, children under twelve (12) years of age are not allowed within the spa area unless directly supervised at all times by an adult who is not less than eighteen (18) years of age. Party Lounge

Host a holiday event, birthday party or even a wedding, the exceptional interior finish and design of your Party Lounge will allow you to have the social event of the season. Because your Party Room & Lounge is one of the most popular amenities of the community, we ask that every resident respect the following rules:

Use of Party Room AV & Equipment

The resident who books the Party Lounge is responsible for ensuring the appropriate use of all furniture and equipment within the amenity. Due to the complexity and sophistication of your electronic systems for sound, residents are not able to install any personal devices.

Non-Event Party Room & Dining Room Functions

Many of our residents want to relax and enjoy the party lounge alone, with a partner or a few of their guests. It is not uncommon for our residents to use their party room as a private retreat to catch up on a good book or just to enjoy a change in scenery. For those occasions, your Board of Directors and Del Property Management have created separate "non-event" rules that are as follows:

1. Access to the Party Room & Dining Room must be coordinated through the Condominium Manager or Concierge.
2. The Party Room & Dining Room is available for non-events, at no charge, for a maximum of three hours, as long as there are no more than 10 people present.
3. Reservations are not accepted for non-events and may be used simultaneously by multiple residents. The first resident to use the room must complete a Non-event Form and do the inspection with the Condominium Manager or staff member and will follow the process as outlined below for "before, during and after" the event. No security deposit or fee is required.
4. Except for light cleaning, the room must be left in the general condition it was found.
5. No person(s) under the age of eighteen (18) may use the rooms unless accompanied by an adult eighteen (18) years of age or over who is also using the Party Room & Lounge.
6. Use of all amenity AV systems is allowed for non-events but the programming of the stereo is on a first-come-first-served basis. The resident who first arrives shall have the use of such equipment for a period of one hour or until the show that is being watched is over, whichever is sooner.
7. At the sole discretion of the Condominium Manager and their staff and due to multiple residents using the space, if the capacity of people in the room surpasses the non-event status, they reserve the right to limit the function as necessary and/or will require a resident to establish a formal, "event" booking.

6. Due to Fire Regulations, a maximum number of persons (as posted) are permitted to be present in the Party Room and Lounge. Del Property Management and security personnel are authorized to closely monitor and enforce the limit. They may refuse further access, or terminate the function, if this requirement is violated.

12. Residents are responsible for full compliance with any legal or regulatory obligations and will fully indemnify and save harmless the Corporation, agents of the Board, and employees of the corporation from any breach thereof. Residents further agree that the corporation is not the host or sponsor of the function and agree to indemnify and hold harmless the corporation from any damage caused by any guest on or off the property.
13. To reserve the Party Lounge, contact the Del Property Management Office or Concierge. Bookings may be made no more than twelve (12) months in advance, excluding bookings for Board-sanctioned functions. Bookings are on a first come, first served basis. Del Property Management will make arrangements for the booking of the security guard as required based on the number of your guests. The cost of the guards is the responsibility of the resident who reserved the room (i.e. events with 60 guests will require two guards).

Visitor Parking

Your community has been designed to accommodate your guests' visitor spaces for your community. So your Del Property Management Team can manage your visitors' parking efficiently and with fairness, we need to ensure that everyone in the community participates in the proper coordination and use of the designated Visitor Parking areas. The visitors parking area is shared by both the Republic Phase I and the Republic Phase II.

By adhering to the following rules, your Board of Directors and Del Property Management Team will be able to ensure that your guests are welcomed properly to your community.

1. Visitor Parking spaces are strictly reserved for the use of guests to **"The Republic of Yonge & Eglinton"**.
2. For the purposes of security and access control for daytime parking, your Concierge, upon arrival of your guest at the garage intercom, will request your suite number and his/her license plate number.
3. While no permit is required for daytime parking, your guest must register at the Concierge desk prior to visiting your home. This way your Concierge can be sure to notify you of your guest's arrival. Guests will not be permitted to leave the lobby area until positive confirmation of the resident is received.
4. So that your Concierge can serve you better and welcome your guests by name, it is preferred that you notify them in advance of your guests, arrival if possible.
5. For overnight parking, a Visitor Parking Permit must be obtained from the Concierge. This parking permit must be prominently displayed on the vehicle's dashboard.
6. All vehicles parked in Visitors' Parking spaces between the hours of 2 a.m. and 7 a.m. without a Visitor Parking Permit are subject to ticketing and towing.
7. Overnight parking permits, totaling 14 nights, may be issued per suite per calendar month. Depending on demand, consecutive permits (i.e. month to month) may not be available. Please see your Condominium Manager for details.
8. Longer permits may be available upon written request to and approval from the Board of Directors.
9. Visitor Parking is restricted to motor vehicles. Parked vehicles must fit comfortably within the boundaries of one parking space.
10. Persons who park a motor vehicle in contravention of these rules will be fined or have their vehicle towed or both, under the applicable City of Toronto By-Law. The Condominium Corporation and Del Property Management Team and/or their agents will not be liable for any damage, costs or expenses whatsoever caused in respect of any vehicle(s) so removed from the property.

Shared Resident & Visitor Bicycle Storage & Racks

Your community has bicycle storage racks. Not all residents or their guests will use the bicycle racks and the racks provided generally accommodate the needs of the community. However, depending on the season or the weather, sometimes the demand can exceed the available space, so your Board of Directors and the Del Property Management Team have implemented the following rules so you can be sure that the use of the racks are coordinated with efficiency and fairness. The bike racks are shared between the residents and visitors of both Republic Phase I and Republic Phase II.

1. The use of the Resident Bicycle Storage is restricted to persons living in this community.
2. Resident and visitor bicycle storage is available on a first-come first-served basis.
3. For added security and to ensure that your Del Property Management Team can communicate directly with you if there is a concern regarding your bicycle storage, residents must register their bicycles with the Condominium Manager.
4. After registration, a designated bicycle rack will be made available.
5. Residents are required to provide their own locks.
6. Bicycles are stored “at your own risk”.
7. Any unregistered bicycles or locks found will be removed from the bicycle storage racks or room and will be held for 60 days and then disposed of accordingly. If costs are incurred to the Corporation for storage, they will be passed on to the resident and/or homeowner.
8. To preserve your community and maintain our cleaning standards, bicycles are not permitted in the common areas of the building, and must either be stored off-site or in the designated bicycle storage area.

Consequence Management

One of the most challenging yet necessary functions of your Del Property Management Team and Board of Directors is to ensure that all of the community rules and regulations are followed. It can be tremendously stressful and difficult on your community's staff when they have to enforce compliance of the rules with any resident or his/her guest. When they do, they do so out of an obligation and commitment to preserve your community, your safety and trust.

In our experience, we find that the majority of residents and their guests fully understand and participate in supporting the rules and regulations. We also understand that sometimes a resident may make a mistake. This is why we have created some very clear and important steps that will be invoked by the Del Property Management Team on behalf of the Board of Directors to manage non-compliance of the rules.

Depending on the specific set of circumstances and as assessed by any member of the Del Property Management Team, the Board of Directors or the Condominiums Corporation's employees or agents, there will be an escalating series of consequences which may lead to an immediate and full suspension of Club facility use.

Therefore it is critical that every resident and his/her guest abide by the rules of your community and understand that they will be enforced in accordance with the terms of the Condominium Act, the declaration and all by-laws and rules of the community.

For clarity, we have outlined the series of consequences that will be enforced for those who violate the rules. Depending on the nature and frequency of the concern, the Board of Directors, or the Condominium Corporation's staff or agents will act at their sole discretion in determining the appropriate consequence which can for serious incidents lead to complete suspension of facility use, as well as fees for damages.

In the event of a violation of the rules, some or all of the following consequences will be initiated. Depending on the circumstances, the Board of Directors and Del Property Management Team will determine the appropriate consequence, but if the situation warrants additional measures, they will not be limited to the following:

1. Notification in writing to the resident on the first instance. If relevant, the resident will be given 7 days to rectify the violation and to signify his or her future willingness to abide by the rules.
2. Notification in writing to the resident and if relevant, the off-site owner, upon the second instance, requiring written acknowledgement of receipt of such notice and a commitment that the recipient will comply with the rules within two days.
3. Notification in writing from the Corporation's lawyer upon the third instance and notification that any further offences, may cause the Board of Directors or the Condominium Manager to require the resident to supply a certified security deposit which may be forfeited in the event there is any subsequent breach of the rules by the resident and / or his or her guests. Cost of the legal fee to the Corporation as a result of the violation will be billed to the resident. If this consequence is served to a tenant, then the non-resident owner will also be sent a notification and in the case of default of payment by the tenant, will be held responsible for payment to the Corporation.

On the fourth instance, the board reserves the right to have the Corporation's solicitor commence enforcement proceedings against the delinquent or offending unit owner, resident, tenant or guest, in accordance with the provisions of the Condominium Act 1998, S.O. 1998, as amended, and all legal fees and disbursements incurred in connection with any such proceedings (together with any damages incurred as a consequence of the offence) will be sought against the offending party.
