Element Club Rules

The embodiment of condominium living is "the communal" aspect of both ownership and lifestyle. The purchase of your dwelling unit brings with it the right to use and enjoy all of the recreational facilities and amenities intended to be shared by the owners, residents, tenants and invitees of the Element Condominium (hereinafter referred to as this or the "Condominium") with all of such recreational facilities and amenities, including any equipment and furnishings contained therein or utilized in connection therewith, being hereinafter collectively referred to as the "Recreation Facilities" or the "Element Club", or simply as the "Club".

Like every community, the Element Club must have rules and regulations to govern the conduct and affairs of its members or users, and these rules are a reflection of the mutual cooperation, consideration and respect that should be shown by each member or user to his or her neighbours. Element Entertainment District Inc. (the "Declarant") has established a set of rules governing the use and operation of the Element Club for adherence by the owners, residents, tenants and invitees of the dwelling units in this Condominium. None of the owners, tenants or occupants of any of the commercial/retail units in this Condominium shall be entitled to access to or use of the Recreation Facilities.

The Club rules initially adopted and imposed by the Declarant are rather comprehensive. While there is no intention to burden members and users of the Element Club with a multitude of overly-detailed and incomprehensible duties and obligations that are difficult to remember and enforce, it is nevertheless felt that the enclosed rules are logical (and for the most part, a matter of common sense), and have been designed to enhance the condominium lifestyle concept. Accordingly, you are urged to familiarize yourself with the rules of the Element Club annexed hereto, and to communicate same to members of your family, your tenants and/or guests intending to use the Recreational Facilities that your Condominium enjoys. A working knowledge of these rules will ensure that the Element Club is a pleasant and safe complex that offers the optimum of enjoyment and maximum usage of its facilities.

Finally, please keep in mind that the following rules are intended to be read and construed with all changes in gender and/or number as may be required by the context.
